Sanitary Bathroom 101

(An interview published November 18, 2004 in the San Diego Reader - Best Buys by Eve Kelly)

The topic was presenting a clean and pleasant restroom environment for houseguests.

"My general rule of thumb is to clean-dry first, wet second, and clean from top to bottom. If you are dealing with a bathroom at home with a tub or a

shower, clean the tub or shower before cleaning the toilet. Your toilet is that last thing to be cleaned. If there was anything particularly infectious in that area, you want to clean that last so that it doesn't get on your other materials." - Brad Stinton

The President of Padre Janitorial Service, Inc. explained how a clean bathroom can make

everyone (guests and hosts alike) enjoy the entertaining experience.

When a business invites clients (and employees each and every day) the same principals apply.

Brad and Sandra Stinton

are hands-on owners that truly value each and every customer by working directly to see that customer needs are met in a timely manner.

Employee Highlight

Every customer knows Brad Stinton. As primary decision maker for coordinating the best service with the best price, Brad is the first person to meet with each new customer.

Customers have only recently met Sandra Stinton. After 20+ years in the Credit Union industry providing customer service and employee education, Sandra joined Padre Janitorial Service, Inc. in April of 2004.

After first assuming the duties of officer manager, Sandra then implemented advances in customer service such as the acceptance of credit cards, improvements in employee management with documentation and education, and further options for communication thru a web site. In addition, Sandra will soon assume the duties of scheduling our customer's special work requests.

"Small Enough to Care – Large Enough to Serve"

Did You Know?

To our floor maintenance customers: If you mop your own floors between floor maintenance visits by Padre Janitorial Service, Inc. you should remember these important tips:

- ❖ Sweep or dust mop first
- ❖ Mop with cold water and a neutral floor cleaner (always following the manufacturer's directions)
- ❖ Never clean floors with ammonia, bleach, pine-sol, degreaser, toilet cleaner, etc.

NOTE: Coming soon to Padre Janitorial Service, Inc.'s web site – **www.padre2serve.com** - the complete and detailed information regarding floor maintenance.
